

ASA2021 EasyChair submission (Abstract and Paper)

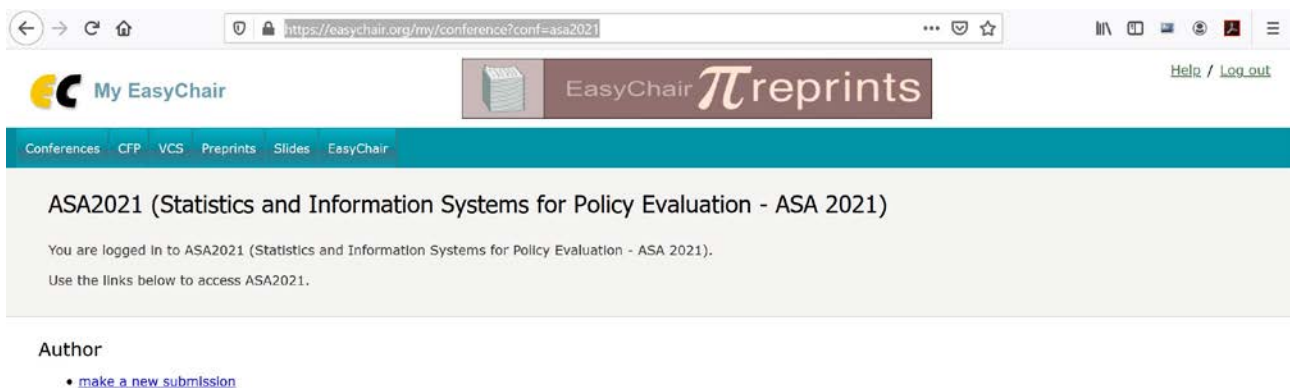

STEP 1

Log in to the EasyChair system

(if you have never registered with the EasyChair system, you must first create an account)

Post log in, go to the ASA 2021 conference submission system webpage on EasyChair:

<https://easychair.org/my/conference?conf=asa2021>

The screenshot shows a web browser window with the URL <https://easychair.org/my/conference?conf=asa2021>. The page header includes the EasyChair logo, navigation links (Conferences, CFP, VCS, Preprints, Slides, EasyChair), and a banner for "EasyChair π reprints". The main content area displays "ASA2021 (Statistics and Information Systems for Policy Evaluation - ASA 2021)" and a message: "You are logged in to ASA2021 (Statistics and Information Systems for Policy Evaluation - ASA 2021). Use the links below to access ASA2021." Under the "Author" section, there is a link for "make a new submission".

STEP 2

Click on **make a new submission** and enter the details of the authors

The screenshot shows the "New Submission for ASA2021" page. The header includes the EasyChair logo, the text "ASA2021 (author)", and navigation links (New Submission, ASA2021, Conference, News, EasyChair). The main content area displays "New Submission for ASA2021" and a message: "Follow the instructions, step by step, and then use the 'Submit' button at the bottom of the form. The required fields are marked by *." Under the "Author Information" section, there is a message: "For each author please fill out the form below. Some items on the form are explained here:" followed by a list of instructions:

- **Email address** will only be used for communication with the authors. It will not appear in public Web pages of this conference. The email address can be omitted for not corresponding authors. These authors will also have no access to the submission page.
- **Web page** can be used on the conference Web pages, for example, for making the program. It should be a Web page of the author, not the Web page of her or his organization.
- Each author marked as a **corresponding author** will receive email messages from the system about this submission. There must be at least one corresponding author.

STEP 3

Enter title and abstract

Title and Abstract

The title and the abstract should be entered as plain text, they should not contain HTML elements.

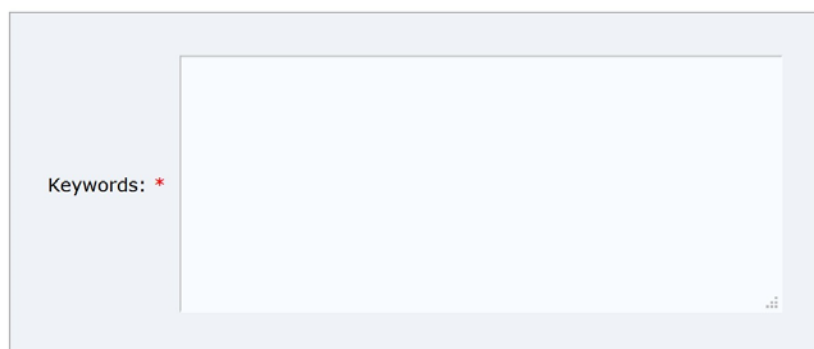

The form is a light blue rectangular box. At the top left, it says "Title: *" followed by a horizontal input field. Below this, there is a horizontal line. Underneath the line, the text "The abstract should not exceed 300 words" is displayed in a smaller font. At the bottom left of the box, it says "Abstract: *" followed by a large, empty rectangular text area. A small "Go" button is located in the bottom right corner of the text area.

STEP 4

Enter 3 up to 5 paper keywords.

Keywords

Type a list of keywords (also known as key phrases or key terms), **one per line** to characterize your submission. You should specify at least three keywords.

The form is a light blue rectangular box. On the left side, it says "Keywords: *" followed by a large, empty rectangular text area. A small "Go" button is located in the bottom right corner of the text area.

STEP 5

Select 1 to 3 conference topics.
